

Sample Song List

Please note that this list represents only the most familiar portion of our repertoire. In the interest of brevity I've omitted the traditional and folk repertoire, which includes Irish and Scottish airs and dances, Greek Sirtos, Hasapikos, Samitos and Rebetic music, Bluegrass, Cajun and Country music, Chicago Blues and boogie woogie, jump blues à la Louis Jordan, as well as an in-depth traditional and modern jazz repertoire. I also have an extensive repertoire of classical music including baroque and romantic duos, trios, operatic reductions and string quartets, which are always appropriate for the wedding ceremony.
